

Instructions For Using This Page

This page contains current MSRP pricing for all manufacturers and product lines currently awarded under HCESC NJ State Approved Co-Op #34HUNCCP, Physical Security Products #HCESC-CAT-22-09.

- **“Combined MSRP Pricing”** contains the full catalog of MSRP pricing for all products currently awarded on this contract.
- Individual MSRP price lists for each manufacturer can be found in the **“MSRP Price Lists”** link/folder.
- **“Discount Breakdown”** contains a full list of approved minimum discount levels, per manufacturer (% discount off MSRP).

To verify #HCESC-CAT-22-09 price:

1. Search either **“Combined MSRP Pricing”** or the individual manufacturer price list for an item to find **MSRP** price.

BS800	BASE STATION ANTENNA 800MHz	203.67

Replace with

2. Find the related discount level on **“Discount Breakdown”**

Panorama	15
----------	----

3. Apply this discount level to MSRP price to find the maximum price allowed under this contract.

a. Example: 15% off \$210.00 = \$178.50

(Note: The quoted price may be lower than the maximum allowed price, but cannot exceed)
